## Pre-authorized Remittance Form

### Whether or not I am there...

... my church has on-going commitments every week that need my support.  
My church and its efforts are important to me, and so is my financial commitment to its work.  
That is why I use the Pre-authorized Remittance Plan (PAR) to fulfill my commitment.

If you have automatic withdrawals from your bank account to pay for insurance, taxes, fuel or mortgage, then you understand the PAR principle. It means regular contributions throughout the year.

Many people use the PAR plan for their church offering, finding it a convenient way to take care of their regular commitments to the church month by month. You can participate in this program.

Your bank account will be debited on a particular day each month that is determined by your administrator and the service provider. There is a small administrative fee, charged to the congregation, for each item processed.

**Yes,** I hereby authorize the treasurer of Trinity Presbyterian Church to cause a cheque to be drawn on my account each month as my/our contribution, and to allocate it as noted below.
